I. SEARCH

Search Books and Bound Journals by a) Simple Search, b) Advanced Search, or c) Browse

a) Simple Search

Action: Select specific field like author, title, subject, ISBN etc and enter appropriate information and click 'GO'

Result: 1) Retrieves all records as per the search 2) Full catalogues of selected titles can be seen in various formats 3) Click on the 'Next' term at the bottom to see the subsequent pages (if any) (Every page contains 20 titles).

Click on the desired catalogue for details. If the book in question is not available (issued/in bindery etc), it will be so displayed. If issued to someone, return due date will be displayed. If a book is restricted/reference, it will be indicated so.

Refine your search result by using 'Refine your search' (LHS top)

Make a List: Provision to make a list of selected books (to save/download/send) OR add to card are also available

b) Browse

Click on 'GO' which will take you to categories of books. Click on the category you are interested in (eg Bare Acts) and click on 'Search'. It will retrieve all books on Bare Acts in alphabetical order

c) Advanced Search

Facilitates refining the search using a combination of search fields by applying Boolean search operators (AND, OR, NOT)

AND: Narrows search and retrieves records containing *all* of the words it separates.

OR: Broadens search and retrieves records containing *any* of the words it separates.

NOT: Narrows search and retrieves records that *does not* contain the term following it.
